---------------	-----------	-------	------------------	------------------------	----------------	---------------------	----------------

NARRATIVE

On 06/06/2015 at about 2155 hours (all times approximate) I was dispatched by police radio to a head on collision at the intersection of SR 9 NE and Lundeen Parkway in the city of Lake Stevens. Arriving on scene I observed three vehicles to be involved; one blocking a northbound lane of SR 9, one blocking 2 southbound lanes of SR 9 and one blocking an eastbound lane of Lundeen Parkway on the west side of the intersection.

Based on evidence and statements at the scene it is found that U1 had been traveling northbound on SR 9 NE, approaching the traffic light controlled intersection of Lundeen Parkway, when the driver of U1 stated she fell asleep. The driver of U1 claimed she had been up since early this morning, around 0400, for her job. The driver of U1 stated she knew she was tired but only being about 10 minutes away from home she continued to drive. The driver of U1 stated she awoke, while driving, in time to see the stopped traffic ahead of her. U1 then struck the back of U2 (which was stopped for the red light) on the driver's rear corner. U1 then continued into the southbound lanes of SR 9 where U1 and U3 struck in a head on type collision. U3 stopped in the southbound lanes of SR 9 blocking two lanes of travel. U1 continued into the eastbound lanes of Lundeen Parkway, traveling westbound, until it came to final rest.

Initially at the scene there were no claimed injuries. A few minutes into the collision scene investigation/clean up, all the occupants from U3 stated they wanted to be transported to the hospital by aid car for further evaluation. All three adult occupants from U3 were transported to the hospital by aid car.

A witness at the collision, Reoh, stated she had observed U1 driving erratically before the collision. Due to the danger of keeping Reoh on scene I told her I would contact her at a later time. On 06/07 I attempted to call Reoh and the call kept going to voice mail.

All three Units involved in the collision were removed from the scene by Top Notch Towing. At about 2255 hours the roadway was cleared and reopened to normal traffic flow.

Accident report 6/6/15 at 9:55pm Lake Stevens Wa

Russell Brown

Driver: Russell Brown

Passengers: Shawna Leatherby, Joanne Fulford.

Traveling South bound hi-way 9 at the intersection of Lundeen Pkwy.

I was traveling at 45mph in the left lane (East) the light was green and as I entered the intersection I saw a car to the left start to swerve into my lane but then in a instant came straight at me in my lane appearing to me direct head on, I had no reaction time to move either direction and was still in the middle of my lane when I was hit, we ended up after impact back Northbound I estimate about 15' pointing South West mostly west in the right southbound lane, the other car that hit me (Svava Pickard lic.#ADH7212) landed about 60' over West on the South lane of Lundeen pkwy.

My vehicle 2014 Jeep Grand Cherokee diesel Weight 5,150.

I estimate her speed to be 70 or 80mph

Svava Said she was "Sorry I fell asleep" and that she worked like 80hrs this week.
